Information for Key Workers and Parents of Vulnerable Pupils

If you or your child falls into the following categories (see below) AND ***you cannot make alternative safe arrangements for them to be looked after at home***, then you can request for them to attend Supervised Learning within the school building (please note, supervised learning does not mean face-to-face teaching – pupils will be supervised in a communal area, safe social distancing adhered to, and will receive the same online tasks as those pupils at home).

Requests for a child/children to attend school under this provision should be made via email on info@stcolmanshs.org

Please include the name and year group of your child/children, details of how you meet the criteria, details of supervision requested (eg. specific days) and a contact telephone number.

Please communicate this as soon as possible please to assist with our planning and no later if you can than **12 noon on Monday 04 January 2021**.

Once we have collated information received, further communication will follow.
